# GENERAL RULES?

- ➔ Place your cows in a pair of three, horizontally, vertically, or diagonally, to form a mill
- ➔ When a mill is formed, the player gets to choose 1 opponent cow to eliminate
- ➔ First stage is placing all 12 cows each player has
- ➔ Second stage is moving cows in the board, a player can only move cows he owns, you can only move to the nearest positions
- ➔ Third stage is flying which is enable when a player has 3 cows remaining in the board, and so can therefore fly to any position
- ➔ You cannot kill a cow in a mill unless the opponent is left with 3 cows only
- ➔ You cannot move an enemy cow
- ➔ You can only kill when there is a mill formation
